Dear Families of Sugar-n-Spice,

Sugar-n-Spice has not increased the cost of hot lunch or added a cost for snacks in years. The cost of food has been increasing greatly over the years. We have tried to balance and maintain a low lunch fee for years but unfortunately the time has come that we must increase the costs.

Effective the first billing in January, 2020 (January 13th) the new costs for hot lunch and additional snack fees will be as follows:

Hot lunch fees will increase to \$3.75 per child to all families currently on the hot lunch program. This includes the new snack charge in that amount.

Snack fees for ALL families in Pre-School who currently bring their own lunch to daycare and also to ALL School age children will now be .50cents per child a day. This includes a snack in the morning and a snack in the afternoon..

Sincerely,

Tracy Fotiuk, Sandra Rego and Jenny Sendall
Directors—Sugar-n-Spice Kiddie Haven Inc.
