- **Children access the washroom facilities throughout the day as needed**
 - **The schedule is flexible and is based on the individual needs of the children.**

We view the environment as a teaching tool which offers a variety of opportunities for learning. Each day, the staff documents the children's interests and then offers a curriculum that enhances the children's current knowledge. By providing a positive and stimulating environment, we will continue to strive in developing each and every child to his/her fullest potential.
